

# Michigan Inland Lakes Convention: Partnering To Protect Michigan's Inland Lakes

May 1st-3rd at Boyne Mountain Resort

The Convention will educate, engage, and empower the individuals who work, live and play on Michigan inland lakes including lake enthusiasts, lake professionals, researchers and local officials.

It will include educational presentations and discussions, in-depth workshops and tours focused exclusively on Michigan's 11,000 inland lakes with dozens of non-profit and business exhibitors showcasing their projects, resources and services.

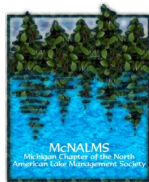

Bill Rustem, Director of Strategy for Governor Rick Snyder, will join us for a plenary address. Mr. Rustem will focus on the conference theme of partnerships, with his address "Successful Partnerships – Importance to Government."

Session & workshop topics will include:

- Lake Protection Tools for Local Governments
- Natural Shorelines
- Youth Stewardship
- Aquatic Invasive Species Management
- Current lake research
- Harmful algal blooms
- Riparian law
- And much more!

This event is being brought to you by the Michigan Inland Lakes Partnership, launched in 2008 to promote collaboration to advance stewardship of Michigan's inland lakes. The Convention is a cooperative effort between the many public and private organizations that make up the Michigan Inland Lakes Partnership.
